

Thank you for purchasing the Futureglass **Dual Ultimate Meeting Table!**

The design of Dual allows easy tool free assembly by a competent adult.

The simple tool free assembly means that the table can be constructed in the shortest of times.

Please take a few moments to read these instructions to get the most from the table.

ASSEMBLY INSTRUCTIONS

1. Unpack all of the components, lay the table top upside down on a protective layer with the bonded bosses facing upwards. Leave the base sections the correct way up (preferably still in the original packaging).
2. Screw the studs with centralising washers provided into the bosses on the glass (turn in a clockwise direction). Ensure they are secure. Slide the stainless steel leg over the studding and centralising washer.
3. Turn the base section upside down and lift into position carefully locating the stud into the boss. Rotate the base piece until it is firmly connected and aligned with the top section. Repeat for other sections of the table.
4. Now carefully, with assistance, turn the table over onto the base by holding the glass only and lift into final position. This minimizes stress on the leg.
5. Once all the pieces are assembled connect the pieces together by the linking plates. Simply bolt the flat metal plates to the small bosses along the edges of the table tops.

The glass supplied is toughened to BS6206A for safety. In order to maximize this safety; please follow the following precautions.

- | | |
|--|---|
| 1. Never drag the table - Always lift with assistance | 8. Avoid subjecting the table to impact. |
| 2. Replace any damaged glass with that of identical specification. | 9. Never sit or stand on the table. |
| 3. Never place heavy objects onto the table. | 10. The table is not suitable for rough use |
| 4. Use a suitable non-abrasive glass cleaner. | 11. Always lift the table by the glass to move it, never drag it or lift by the legs. |
| 5. Take care when moving the table. | 12. In the unlikely event of breakage, a competent person must clear thoroughly the area of sharp shards of glass, which may cut. |
| 6. Take care in positioning the table. | |
| 7. Never place hot pans onto the table. | |

Thank you for purchasing the Futureglass Dual Ultimate Meeting Table!
